NSC Declassification/Release Instructions on File

MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

The two attached draft memoranda, concerning the CIA supplemental estimate for FY 1951 and the estimate for FY 1952 respectively, were transmitted to this office by Admiral Hillenkoetter for oral consideration and approval at a meeting of the National Security Council, in accordance with established Council procedure.

The presentation of these two matters to the Council has been deferred, with Admiral Hillenkoetter's concurrence, until an appropriate time in relation to the Council's consideration of all national security programs under the NSC 68 series.

In view of your appointment as Director and in the light of a telephone conversation with Mr. Jackson this morning, the enclosures are returned herewith for your consideration and resubmittal with any revisions you may deem appropriate.
